WIND MEADOWS CORP.

January 2022

Dear Wind Meadows Members,

The Wind Meadows (WM) Board of Directors is pleased to announce that in the continuing efforts to improve the quality and cost effectiveness of services in Wind Meadows, WM is partnering with Brightview Landscape Services beginning April 1, 2022 or after the last snow event this year.

Reliable Property Services accepted the amendment to their current contract with Wind Meadows which will terminate their services as of March 31, 2022 or after the last snow event.

Brightview will perform grounds care for Wind Meadows from April 2022-Oct 2022 and snow management from Nov 2022 through March 2023.

There will be some trial and error along the way with a new contractor and a new grounds crew so please be patient, however Brightview is excited to be working on the Wind Meadows property, they are hiring a dedicated crew, and has wholeheartedly committed to living up to the contractual obligations which will be a substantial improvement.

If you have any questions about this change, please contact the Wind Meadows project manager, Carrie Amos at wmc@w-p-inc.com or 262-639-8974.

Thank you,

Wind Meadows Board of Directors
