PRESIDENT'S CORNER

May is here and you can feel it all around us.

The birds are chirping, tennis balls are echoing across the courts, pickleball games are in full swing, bikes are rolling through the neighborhood, and the energy of summer is finally settling in. It is one of the best times of year at Wind Meadows, when our community truly comes alive.

I am happy to share that the tennis and pickleball courts are now open, and we are already seeing great use, with residents playing a match, enjoying a friendly pickleball game, practicing serves, or simply getting outside.

And now for the part we have all been waiting for, the pool opens on Saturday, June 6th.

We are excited to kick off the season, with a Dip and Sip party (11am-1pm) to celebrate. This gathering will be a great opportunity to relax, connect with neighbors, and officially welcome summer together. More details to come, but mark your calendars. We hope to see everyone there.

As we move into these warmer months, it is a great time to reconnect with neighbors, enjoy our shared spaces, and take pride in the community we all help create.

Wishing you all a fantastic start to summer. I look forward to seeing you around the property.

Warm regards,
Marci Boucher, WMC Board President

COMMUNITY CARE

It is spring so the calls and emails of concerns are flying in with the geese.

Please help the office with the following:

Do NOT allow your dog to potty on front yards of homes within a court. Walk your dog along Campus Drive, Bayfield Dr, Deepwood Drive, and Lake Meadow Drive and clean up as you stroll.

Do NOT leave poop bags or yard debris bags along the roadway for Brightview to pick up!

Do NOT use or play with silly string, glitter, paint or water balloons on Wind Meadows property as it is very difficult to clean up.

Please follow the parking rules for your area.

Please call or email the office 262-639-8974/ wmc@wpiracine.com about Brightview concerns, do NOT approach the crew while they are operating equipment as this is a safety liability to Brightview and Wind Meadows.

A HIGHER STANDARD OF CLEAN

Who We Are

Introducing Signature Clean by Superior – the residential cleaning division of **Superior 24/7 Restoration Inc.**

Many of your neighbors already know us for helping homes recover from the unexpected. Now, we're bringing that same professionalism, attention to detail, and care into everyday home cleaning

Our Services:

- **Recurring House Cleaning:** Weekly and biweekly services incorporating a rotating deep clean schedule.
- **Move In / Move Out Cleaning:** Detailed cleanings prepare homes for their next chapter, whether you're settling in, turning over a rental, or getting a property ready to show.
- **AirBnB / Short Term Rental Resets:** First impressions matter. We handle full turnovers between guests—including dishes, linens, and top-to-bottom cleaning—so your rental is always guest-ready and five-star clean.
- **Special Projects:** Looking for something different, give us a call or text to discuss!

THANK YOU FROM THE LEISURE CENTER COMMITTEE!

The LCC shared the following: We had a successful event on Saturday, April 18, 2026 with the Lake Meadow Clean-Up in honor of Earth Day. About 15 residents were in attendance. Together, we collected eight (8) garbage bags full of trash from Lake Meadow and its surroundings. Thank you to all those that attended!

VILLAGE OF WIND POINT PERMITS

A permit is required for a variety of building, electrical, plumbing, and heating/ventilation/air-conditioning projects. Please use this link to read about Village permits https://windpoint.org/departments/building_zoning/building_permits.php

Please note that although contractors are usually hired to complete the work, it is ultimately the homeowner's responsibility to ensure that permits were properly obtained prior to starting the work. The fees are doubled for permits obtained after work has started; work conducted without permits may be subject to forfeiture. Download permit applications on the [Licenses & Permits](#) page. Submit applications and fees to the Village Office at 215 E. Four Mile Rd., Racine, WI 53402. A stamped, addressed envelope must be included with mailed submissions for return of your permit placard. When work is complete, contact the inspector to schedule the inspection.

WILD GARLIC MUSTARD

Please start pulling as soon as you see it growing. The garlic mustard around your homes and in the common wooded areas is quite severe. The best way to control this obnoxious invasive weed is to pull it out. Pulling it in the spring while the ground is soft will be much easier to get the entire plant, including the root. Each plant can release hundreds of seeds when mature, and it spreads fast. After pulling, put it in a black plastic bag, labeled “GARLIC MUSTARD” and put it out with the garbage any Monday morning.

DO NOT LEAVE IT ALONG THE ROADSIDE UNBAGGED.
