PRESIDENT'S CORNER

Thank you to everyone who came out to the Annual Meeting. It was truly nice getting to know more of you at the meet and greet, and I appreciate the great conversations and sense of community. A special thank you to all the board members who brought an appetizer or snack to share with the residents. It added such a warm and welcoming touch to the evening.

February has certainly reminded us that winter is still very much in charge. With the recent cold temperatures, snow, and ice, I want to take a moment to encourage everyone to be extra cautious when getting around our community.

Please take your time when walking outdoors, especially in the mornings and evenings when ice can be hardest to see. Wearing footwear with good traction, using handrails when available, and watching for icy patches on sidewalks and in parking areas can help prevent slips and falls. If something looks especially hazardous, please let management know so it can be addressed.

As always, your safety and well being are important. Winter can be beautiful, but it also asks us to slow down and look out for ourselves and one another. Thank you for doing your part to help keep Wind Meadows a safe and caring community.

Stay warm, stay safe, and here is hoping we are one step closer to spring.

Warm regards, Marci Boucher
