

Wind Meadows Corporation News

PRESIDENT'S CORNER

Happy August!

I hope everyone is having a wonderful summer and finding time to enjoy all that makes Wind Meadows such a special place to live.

Our annual community picnic is just around the corner! Please mark your calendars for Sunday, August 30, from 11:00 a.m. to 2:00 p.m. It is always a great opportunity to catch up with neighbors, meet new residents, and enjoy good food and great company. We hope to see many of you there for another fun afternoon together. **Please RSVP to sharbach@wpiracine.com by 8/14.**

While you're spending time at the pool, don't forget to stop by the ice cream chest for a cool treat. Every purchase helps support our community, and with the QR code available for easy payment, grabbing your favorite snack has never been more convenient. The lower level of the pool area was recently power washed, the large arborvitae at the deck level has been trimmed, three new umbrellas are being added, and a new commercial pool power vacuum has been purchased to help keep the pool clean and enjoyable for everyone.

As always, thank you for helping keep Wind Meadows looking its best. Whether it's maintaining your property, cleaning up after pets, or picking up the occasional piece of litter during a walk, your small acts of kindness help make a big difference. Together, we continue to make Wind Meadows a community we are all proud to call home.

On behalf of the Board of Directors, thank you for your continued support and involvement. We look forward to seeing many of you at the community picnic and wish everyone a safe, enjoyable, and relaxing remainder of the summer.

Warm regards,

Marci Boucher, WMC President

We are preparing for another season of tours at the Wind Point Lighthouse! Public tours will take place on the following dates:

- Sunday, Aug 2- 9:00 am - 3:00 pm
- Sunday, Sept 6- 9:00 am - 3:00 pm
- Sunday, Oct 4- 9:00 am- 3:00 pm

The cost for tower climbs is \$12 for adults and \$6.00 for children (Ages 6-11). Walk-ups are welcome; however, we recommend that you pre-purchase tickets in advance to make sure that you secure a spot. Pre-purchase tickets

REMINDER: POLITICAL SIGNAGE

Political signage is starting to pop up in the neighborhood. Please read the signage rules for Wind Meadows. **COMMON AREA SIGN PLACEMENT is NOT PERMITTED!**

(If you have placed a sign in common area, please remove it or it will be removed and disposed of. Thank you.)

Political Endorsement Signs

a. Manor, Patio, Village, Garden, and Prairie Meadow Homes. No political endorsement signs may be placed on common areas owned by WMC, including front common areas. One political endorsement sign per home no larger than 432 square inches (example: 18" x 24") may be placed inside the homeowner's property.

b. Single Family Homes. One political endorsement sign per home no larger than 432 square inches (example: 18" x 24") may be placed outside on the homeowner's property.

c. The period during which the sign can be put in place is: **beginning the first day the nomination papers are circulated by candidates and ending twenty-four (24) hours after the Election Day;** in the case of a referendum, beginning the day on which the question to be voted upon is submitted to the electorate and ending twenty-four (24) hours after the day on which the referendum is held.

Wind Point Public Works collects branches from residents for disposal on **the second Tuesday of April, June, **AUGUST**, and October**. Branch pick-up does not include leaves, weeds, and other yard waste.

Johns Disposal Service will pick up securely bundled yard waste, including brush that is no more than 50lbs, or 4ft long, or 6in in total bundled diameter. This service is available every other week beginning April 1, through the end of November. For information about yard waste collection please [click here](#).

In order to provide this service efficiently, the following rules apply:

1. Branch collection is for tree maintenance (trimming branches) NOT tree removal. Property owners who have landscapers or other individuals cut down trees on their property are responsible for branch disposal.
2. Branches should not exceed 4 inches in diameter. Branches should be kept at their original length and not cut into smaller pieces.
3. Branches should be placed by the road in small, reasonably uniform piles. Piles should not exceed 4 feet in height and 4 feet in width. Pile branches with the cut end toward the road, all in the same direction.
4. Branch piles should be set out near the edge of the road away from mailboxes or other obstructions. Piles should be set out no earlier than the Saturday before collection day (72 hours). Piles set out too early or late can be tagged with a notice indicating the resident has 48 hours to remove the items. Tags will be noted with the date and time that they were placed. If branches are not removed within 48 hours as stated on the tag, a special collection will be arranged with Johns Disposal and the resident will be charged.
5. Stumps, vines, root balls, roots, rocks, brush, rubbish, construction material or metal will not be collected.
6. If collection cannot be completed on a given day, the remainder of the route will be completed the next work day (s). To maintain scheduled operations, we cannot “backtrack” to collect branches set out late.

Example of Accepted Branches:

Example of Not Accepted Branches:

Household Hazardous Waste

Racine Wastewater Utility 2026 Collection Event Information

What is Household Hazardous Waste?

Household Hazardous Waste (HHW) are products used in your house, home garage, or residential garden/yard that can be flammable, corrosive, toxic and harmful to you and the environment if they are not handled properly.

How do you identify HHW Products?

Read the product label. If the product label contains any of the following words, then the product is hazardous:

- | | |
|------------------------|------------------------------------|
| • Toxic | • Combustible |
| • Flammable | • Explosive/Reactive |
| • Corrosive/Caustic | • Danger |
| • Reactive | • Caution |
| • Poison | • Warning |
| • Volatile Inflammable | • Harmful Solvents (item contains) |

Why Should I Be Concerned?

Improper disposal of hazardous products such as pouring them down the drain, on the ground, into storm sewers, or placing them in the trash pollutes our environment and poses a threat to human & animal health.

Why does HHW require special handling/disposal?

Certain types of HHW have the potential to cause physical injury to sanitation workers, contaminate septic tanks or wastewater treatment systems. They can also present hazards to children and pets.

Where are the HHW Collection Events Held?

Only those that reside in the City of Racine (zip codes 53401-53408) and Villages of Caledonia, Elmwood Park, Mount Pleasant, North Bay, Sturtevant and Wind Point may participate. Racine Wastewater Utility's HHW Collection Events are located at: 6200 21st Street, Racine

If you reside outside the utility service area, please contact your Village or Town Hall for disposal options in your area.

When Are the HHW Collection Events Held?

Every 3rd Saturday, April - October, 2026
8:00 a.m. Until 1:00 p.m.

- Saturday, April 18, 2026
- Saturday, May 16, 2026
- Saturday, June 20, 2026
- Saturday, July 18, 2026
- Saturday, August 15, 2026
- Saturday, September 19, 2026
- Saturday, October 17, 2026
