Policy No.  
POL.009

---

From time-to-time individual owners or a group of owners may offer to contribute additional landscaping, primarily on common land, at their own expense to enhance the environment. With proper approval the Corporation encourages these actions.

- I. The owners of property within Wind Meadows may contract for additional landscaping on common land with recommendation of the Architectural Review Committee and approval of the Board of Directors.
- II. The landscaping, when approved, will be:
  - A. Paid for by the individual or group requesting the additional landscaping.
  - B. Maintained by the Corporation consistent with the landscaping contract.
