JULY 2023

PRESIDENT'S CORNER

The pool is a central amenity at the Leisure Center facility. Our lifeguards play a key role in keeping the pool a safe place for all of our members who enjoy the pool each year.

Lifeguards perform several serious and necessary duties: they prevent accidents from happening; they spot potential hazards before they become life-threatening; they respond to emergencies; and they educate our members about risks associated with aquatic activities. The lifeguards are our friends and some are even our neighbors. One duty that is not our lifeguards' responsibility is responding to the cost of the guest fee. Please direct any comments or questions about fees to the WPI office.

We owe a debt of gratitude every day to our lifeguards.

Next time you go to the pool, please share your thanks!

FREE POOL GUEST PASSES

Each household in WM should have received four (4) free guest passes, a \$20 value, for the 2023 pool season. Once these passes are used by your guests, please ask each of your guests to place \$5 in the guest fee box at the pool. The \$5.00 fee is a reasonable cost for your guest to pay toward supplies and maintenance of the pool, the surrounding pool deck, the furniture, the fencing maintenance, the tree trimming, landscaping and grass cutting around the pool and the water and electric bills that support the pool. The honor system for guest fees is in place because Wind Meadows has honest residents who sign their guests in and pay for their guests with each visit, however it has been noted that due to the increase of the guest fee some residents are not following the rules and simply not paying. If you are caught not following the rules then privileges to use the pool may be revoked. Smile! You're on camera.

ARCHITECTURAL REVIEW COMMITTEE (ARC)

REMINDER: **ALL** exterior changes need **prior approval** from the ARC and the WMC Board of Directors. This applies to **ALL** residents in Wind Meadows.

How do I start this process?

An "ARC" change application form is available on the WMC website windmeadows.org or you can contact the WMC office at wmc@wpiracine.com. Change applications should include details of the exterior change, including pictures if possible. The application can be emailed, mailed, or hand delivered to the main WMC office at 6939 Mariner Drive, Racine, WI 53406. ARC meetings are held as needed with final approval during the Board meeting, typically held on the third Monday of every month. Requests are due 10 days prior to the Board meeting. After approval, it is the homeowner's responsibility to obtain any necessary building permits required by the Village of Wind Point and/or call Diggers Hotline depending on the scope of the project.

VILLAGE OF WIND POINT PERMITS

A permit is required for a variety of building, electrical, plumbing and heating/ventilation/air-conditioning projects. Please contact a Village inspector to discuss permit requirements and fees. The building and HVAC inspector is Al Kosterman (262-989-9215), electrical inspector is Gregg Hansen (262-977-0488) and plumbing inspector is Rick Herman (262-498-3191). Please note that although contractors are usually hired to complete the work, it is ultimately the homeowner's responsibility to ensure that permits were properly obtained prior to starting the work. The fees are doubled for permits obtained after work has started; work conducted without permits may be subject to forfeiture. Download permit applications on the [Licenses & Permits](#) page. Submit applications and fees to the Village Office at 215 E. Four Mile Rd., Racine, WI 53402. A stamped, addressed envelope must be included with mailed submissions for return of your permit placard. When work is complete, contact the inspector to schedule the inspection.

BRANCH COLLECTION

Wind Point Public Works collects branches from residents for disposal on the second Tuesday of each month, **from April to November**. Branch piles do not require a yard waste sticker to be collected.

In order to provide this service efficiently, the following rules apply:

1. Branch collection is for tree maintenance (trimming branches) NOT tree removal. Property owners who have landscapers or other individuals cut down trees on their property are responsible for branch disposal.
2. Branches should not exceed 4 inches in diameter. Branches should be kept at their original length and not cut into smaller pieces.
3. Branches should be placed by the road in small, reasonably uniform piles. Piles should not exceed 4 feet in height and 4 feet in width. Pile branches with the cut end toward the road, all in the same direction.
4. Branch piles should be set out near the edge of the road away from mailboxes or other obstructions. Piles should be set out no earlier than the Saturday before collection day (72 hours). Piles set out too early or late can be tagged with a notice indicating the resident has 48 hours to remove the items. Tags will be noted with the date and time that they were placed. If branches are not removed within 48 hours as stated on the tag, a special collection will be arranged with Johns Disposal and the resident will be charged.
5. Stumps, vines, root balls, roots, rocks, brush, rubbish, construction material or metal will NOT be collected.

JOHN'S DISPOSAL SERVICE, INC.

All trash must be in a secure and sanitary container and may be placed outside no earlier than 6:00 p.m. **the night before scheduled pickup**. YARD WASTE PER JOHN'S DISPOSAL

Yard waste began on Monday, April 17th and will continue every other week on Recycling Mondays ending November 13th.

All items must be compost-able.

All yard waste must be contained.

Most ideally the items would be in paper compostable bags and securely sealed or in containers 32 gal/60lbs or less.

We are also able to accept securely bundled yard waste including brush that is no more than 50lbs or 4ft long or 6in in diameter.

ATTENTION OWNERS OF RENTAL PROPERTIES-ASAP

If your unit or home is a rental property, please send to the office a copy of your lease agreement and contact information for the resident. With the new bylaw in place, leases will "register" your unit/home as a rental as of 1/30/2023 and your unit will be grandfathered in as a rental until the unit/home changes ownership. If your rental is not registered and there are more than 5% of the units in your PSA rented then your unit may not be eligible as a rental going forward. Send all information to wmc@wpiracine.com or mail to WPI, 6939 Mariner Drive, Racine, WI 53406.

In addition, the Village of Wind Point has a registration from that is required to be on file if your unit or home is a rental. Please check their website for this form and register accordingly.
